FARM Bargains

The demand for cheaper farm lands has caused us to extend our activities to other territories, and we have succeeded in securing near Norfolk, Virginia about 50 places that are remarkable bargains.

These farms are all within 10 to 25 miles of Norfolk, in an excellent community, on highly improved hard surface roads, near good churches and schools, and are equally as good as the higher priced North Carolina farms.

We have opened an office at Fentress, Virginia, 20 miles this side of Norfolk, in charge of Mr. John E. Corey, who will be glad to show you any of these properties at any time you desire. Take the Norfolk-Southern train at Elizabeth City, first informing Mr. Corey that you will be there, and he will meet you in his car and show you these properties, giving you time to catch the next train to Elizabeth City.

Mr. Corey or our home office will be glad to furnish you any particulars.
